Knowledge – The World Bank  
Co-Chair LEDS GP

LEDS GP Annual Event 2015  
October 14 - 16, Punta Cana,  
Dominican Republic

# Financing innovation

E3G

# Creating Local Development Opportunities & Benefits

Reducing Poverty and Boosting Shared Prosperity

The Goal: Low Carbon and Resilient Local Economic Development

**Industries**

**Local Business**

Including production

**Community Services**

Hospitals  
Schools  
Public light

**Households**

Better Quality of life for the family

**Income growth / diversification**

**Local development & resilience**

**Public sector led electricity supply**

- Utilities
- Rural electrification
- IPPs/SPPs
- Mini grid options

**Focus: Private sector energy service provision**

Objectives:

- Complement government-led efforts
- Creation of new jobs, support small local businesses
- Attract investment into decentralized RE technology

**Public sector programs for local economic development**

**Building Blocks for Enabling Private sector Engagement**
